Berlin, 30.06.2008

Solarvalue invited to Deutsche Bank conference

At the 24th of June 2008 Solarvalue AG participated at the Renewable Energy Conference on invitation of Deutsche Bank in San Francisco, CA, USA. More than 100 institutional investors, mainly from the U.S. attended the conference. Dr. Julio Bragagnolo, Chief Technology Officer of Solarvalue AG and Maximilian Fischer, Investor Relations, presented the company on the conference in front of more than 40 interested investors. With a number of fund managers and financial analysts they both had one-on-one meetings and explained the equity story of the company. The held presentation is available for download on the website under www.solarvalue.com → Investor Relations → Presentations.
